PART 2: READING COMPREHENSION

(20 MARKS)

Read the passage about Todd and do the exercises that follow.

Hi, I'm Todd and I guess I lead a rather healthy diet. I do eat lots of fruits and vegetables, but I also eat junk food, sadly.

I love all fruits except pineapple. I hate pineapple. I don't know why, but I don't like to chew it. It just feels funny.

However, I really love apples, oranges, bananas and strawberries. I usually have an apple every morning for breakfast. It's very easy to eat. I just love apples because you can take them to school. I also like oranges, and I love orange juice. So sometimes, I make fresh orange juice in my kitchen. But my favourite fruits are bananas and strawberries. I love eating bananas and strawberries together, so my favourite snack is to cut up a banana and some strawberries and mix them together, and then eat them.

Apart from fruit, I try to have a salad every day. I have a special salad which I make myself. I call it my crunchy, chunky salad. It's composed of carrots, cucumbers and tomatoes. First, I cut the carrots and cucumbers into small little squares. And then I cut up the tomatoes and I mix them together. All these mixed together create really pretty colours. And when you eat the salad, it's very crunchy and chunky because of the little squares. So, that's why I call it my crunchy, chunky salad.

I don't usually cook vegetables, but I do cook asparagus. Asparagus is probably my favourite vegetable because it's very easy to cook; you just cut the asparagus up into tiny pieces and put it in a bowl with some water in the microwave for about 30 seconds. So I eat asparagus a lot.
